The SMU Advantage

About Singapore Management University

A premier university in Asia, the Singapore Management University (SMU) is internationally recognised for its world-class research and distinguished teaching. Established in 2000, SMU's mission is to generate leading-edge research with global impact and produce broad-based, creative and entrepreneurial leaders for the knowledge-based economy. SMU education is known for its highly interactive, collaborative and project-based approach to learning, and for its technologically enabled pedagogy of seminar-style teaching in small class sizes. SMU has an emphasis on generating rigorous, high-impact, and relevant multi-disciplinary research that addresses Asian issues of global relevance. SMU faculty members collaborate with leading international researchers and universities from USA, Europe, China and India, as well as with partners in the business community and public sector, through its research institutes, centres and labs. SMU's city campus is a state-of-the-art facility located in the heart of downtown Singapore, fostering strategic linkages with business, government and the wider community.

About SMU Postgraduate Career Services

SMU Postgraduate Career Services partners you to find SMU students that are equipped with the right skills and aptitude for your organisation through internship programmes and full-time employment. Supporting both on-site and online recruitment, SMU Postgraduate Career Services can assist you in screening, shortlisting and arranging interviews with our postgraduate students.

Hear Our Graduates' SMU Experience

Our SMU postgraduate students are equipped with in-depth knowledge of their chosen specialisation and possess the soft skills needed to excel in their career. With professional advice and guidance from Postgraduate Career Services, many students have made remarkable contributions to many organisations from various industries.

MAGGIE MA JI

Juris Doctor
Head, Legal
Perennial Real Estate Holdings Limited

SMU's seminar-style pedagogy drives students to participate in class discussions as well as do pre-class reading and self-thinking. The environment develops our confidence and sharpens our presentation skills – helpful in the real corporate world.

GEORGES SANDER

Master of Business Administration
Investment Manager
ReEx Capital Asia

The SMU full-time MBA is compact and practical. It provides hands-on internship experience, a large variety of elective courses and concrete insights into real-life business cases in Asia.

ANUTHAMA MURUGESAN

Master of IT in Business
Programme Manager
Apple Inc

SMU was the first in Asia to provide an analytics programme, hence, my natural first choice. In addition, the curriculum mandates that one has to complete an internship – an added benefit for a complete education experience.

SHARON SEET

Master of Human Capital Leadership
Global Head of HR
Yanmar International Singapore Pte Ltd

SMU's learning environment encourages and challenges us to articulate our ideas and opinions in every lecture and workshop. This training has empowered me to be more visible at work and more vocal during management meetings.

NG ZIXUAN AQULIA

Master of Science in Management
Business Development Specialist
Datavard

SMU has provided a nurturing environment that maintains a good balance between delivering a quality academic experience and developing our soft skills – an important aspect of education which is often downplayed.

MARCO IACHINI

Global Master of Finance
Investment Advisory Associate
Standard Chartered Bank

SMU has prepared me well for my current job with its relevant and up-to-date curriculum. We are actively engaged in discussions of challenging case studies which sharpen our critical thinking skills.

LUCY LIU

Master of Science in
Wealth Management
Client Advisor Assistant
UBS AG Singapore

Compared to programmes offered by other institutions, SMU's postgraduate programmes are more holistic. The SMU Postgraduate Career Services Office links me up with the industry while my career coach guides me in my career choice.

VICTORIA YAP

Master of Science in
Quantitative Finance
Analyst, Wealth Management
Department
Nomura Singapore Limited

A postgraduate degree has enhanced and deepened my understanding of financial theories. They are especially helpful in facilitating casual discussions between colleagues on sentiments of and valuations in the market.

MELVYN YEAP

Master of Science in
Financial Economics
Director
WealthEdge Asset Management
Pte Ltd

I chose to do my postgraduate with SMU because of its sound reputation. And indeed, the curriculum mix and design has pushed me to think beyond and be innovative in seeking solutions – preparing me for career advancement.

BRIAN CHUA

Master of Professional Accounting
Associate
PWC Singapore

I enjoyed my undergraduate studies at SMU. Thus when I wanted to do my postgraduate studies, SMU was naturally a top consideration. The small classroom size, the many projects and presentations and the robust curriculum reinforced my learning experience.

Hear Our Partners' SMU Experience

Our partners, who span across a wide spectrum of industries from the most traditional to the most futuristic, affirm their positive hiring experience of our graduates, and their pleasant partnership with our Postgraduate Career Services.

VLADIMIR MAKATSARIA

Company Group Chairman,
Asia Pacific
Johnson & Johnson Medical
Devices Companies, Asia Pacific

LKCSB graduates have tackled challenging projects and devised bright solutions and new ideas. As a healthcare company that's deeply committed to the communities we serve, Johnson & Johnson appreciates LKCSB graduates' passion to make a difference.

DEAN TONG

Partner and Managing Partner
The Boston Consulting Group

SMU has done a good job in preparing their students for the real world. SMU goes the distance to help students develop their presence and confidence. As employers, we appreciate the ability to solve problems, connect with people and communicate effectively.

GEORGETTE TAN

Senior Vice President,
Communications,
Mastercard Asia Pacific

We hope to further our collaboration with SMU to build a more inclusive society by empowering women through education and increasing their participation in business throughout Asia Pacific. We look forward to achieving more together in the coming years.

KELVIN TAN

Head, Fintech & Data,
Technology, Singapore Exchange

SMU students are well prepared for jobs in the financial services industry. They possess well-balanced attitudes to learn fast and contribute, and the ability to collaborate with others and deliver on their tasks. Their advantage lies in how SMU has developed them.

LIEW NAM SOON

Managing Partner,
Financial Services ASEAN
EY

EY works closely with SMU for our recruitment needs. We are pleased with SMU talents because they are driven and eager to learn. These attributes match with EY's need for people who are proactive to help clients find the best solution.

TAN SIEW LEE

Head of Wealth Management
OCBC

SMU graduates possess a certain unique spark and we look forward to their joining us every year. At OCBC, we invest in their further development to equip them with skills essential to thrive in the wealth management industry.
